

Are you a parent or guardian of a child between the ages of 9 and 13?

We invite you and your child to take part in a study on the mental health and activities of children in Southwestern Ontario during the COVID-19 crisis.

We invite families to complete an initial survey followed by 7 monthly follow-up surveys. Each family will receive Amazon.ca electronic gift cards for completing each survey (\$12 for the first and \$9 for each follow-up).

For more information about the study and to participate in the study, please email us at covid19@anxietylab.ca.

You may also call us at 519-783-1393 for more information about the study or if you would like to complete surveys over the phone.

This study has been reviewed and received clearance from the Research Ethics Board at the University of Windsor.
